VIRTUAL  
OUTREACH  
PROGRAM

---

Does your client need legal advice about family law and family violence?

Link Virtual Outreach Program connects you and your clients with Women's Legal Service Victoria's lawyers for advice, using Skype.

### Making an appointment is easy!

Appointments are available each Tuesday, Wednesday and Friday at 9:30am, 10:30am, 11:30am or 2:00pm.

Call Women's Legal Service Victoria on 8622 0600 to make a Link virtual outreach appointment.

Remember to have the client's name, the other party's name and their dates of birth handy when you call.

You will also be asked to identify the type of legal matter – e.g. family law, intervention order, DHHS/Children's Court

Please ensure that your client does not bring any children over the age of 12 months to the appointment.
